THE "HARTFORD SAXONY" RUG

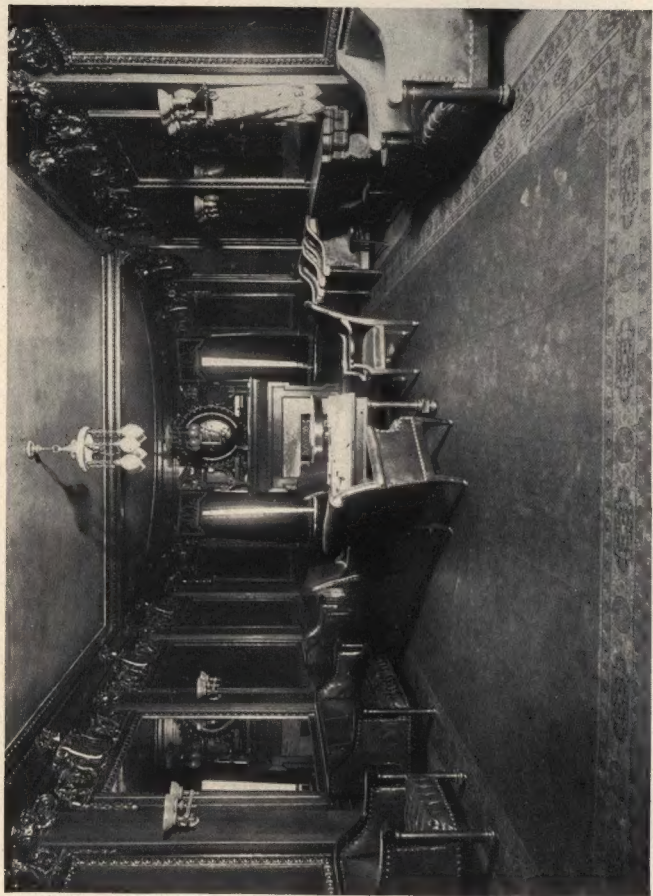

Is undoubtedly *the Best Rug in America* to-day for public or private use. The manufacture of this rug is based on upwards of forty years' experience, employing the best material and methods. The workmanship is of the highest American type and the designs are largely faithful reproductions of the finest Oriental Rugs. The following pages speak for themselves, bringing in definite form before the reader the rugs in actual use and a few of the many designs obtainable. Every size from a 27 inch x 36 inch to large rugs 11.3 x 15 are always in stock, while large special sizes can be had in about four weeks' time. The "Hartford Saxony" Rug is not a new fabric, but has been tried and proven in years of wear in noted public institutions, hotels, clubs, banks and private homes throughout the United States. Thousands cannot say enough in praise of this rug. Year by year it becomes more difficult to obtain the genuine Oriental Rug. The "Hartford Saxony" Rug has come to take its place. For sale by the best merchants everywhere and manufactured solely by
